Capital Campaign Committee

"Summertime is always the best of what might be."

I would like to introduce the Capital Campaign Committee. This committee is being formed for two reasons. The first being the addition and renovation of Glenhaven and the second is to ensure that Glenhaven will remain a viable company in Glenwood City for the next 50 years. This committee will consist of 3 current members of the Board of Directors and at least 3 members of Glenwood City and the surrounding areas that are served by Glenhaven. The

mission of this committee is to fundraise for the continued success of Glenhaven, Inc. Fundraising is a very important part of our current capital project. To date we have raised approximately 10% of the \$700,000 total that is needed for Glenhaven's portion of the project. We are now midway through the first year of our 3-year Capital Campaign and we would like to thank all that have donated to this point!

I would also like to encourage others to donate to this cause. Our next major fundraising event is Oktoberfest and will take place in the lobby of Glenhaven on October 24. Stay tuned for more information or see us on-line at www.glenhaveninc.com or Glenhaven, Inc. on Facebook.

Sun-burn Soothing Tips

Summertime means a lot of time spent outdoors, in which case you might get burnt from being out in the sun. Here are a few tips to soothe the burn!

1. Use cold compresses for 15 minutes.
2. Soak in a cool bath with oatmeal.
3. Make a compress out of cooled green tea.
4. Rub the area with cucumber or potato.
5. Place white vinegar soaked paper towels on the burn.
6. Rub aloe vera on your skin.
7. Mix baking soda and vinegar to make a paste for your skin.

To avoid sun burns altogether, be sure to apply lots of sun screen!

Peach Crisp

1 (29 oz.) can peaches w/syrup ½ cup margarine or butter
 1 box butter brickle or yellow cake mix 1 cup coconut
 4 oz. chopped pecans

Layer peaches with syrup, then dry cake mix, melted butter or margarine, coconut and pecans. Bake at 325° for 55-60 minutes.

Administrator's Angle

Construction continues on the new addition to Glenhaven. In the past few weeks the footings, poured walls and block work are finished or in process on the lower level. We can now see the footprint of the building taking shape. Workers will continue with this for the next few weeks and the end of July the decking will be placed for the upper level. As discussed in our last issue, we want to look at the resident rooms in the addition. Attached please see an

architectural drawing of what the rooms will look like as well as a 3-D rendering. You can see the major difference 44 individual rooms will be. Each room will be 275 sq ft. and have its own bathroom, shower, sink with 3 drawers below and a sliding door that will make it easier for residents to enter. The resident room will consist of a magnetic white board for memos, pictures of family and space for loved ones to leave notes. Also there will be a large flat

screen T.V. mounted on the wall, area for a bed, chair, armoire for clothing, chest of drawers and nightstand. Each room will have its own heat (in floor or baseboard) and air conditioning. The rooms will have windows that will be mounted close to the floor so residents can see out and even a few of the end units will have an additional one or two windows mounted high for more direct sun light.

1st Annual Glenhaven Golf Tournament

The First Annual Glenhaven Golf Tournament was held on Saturday, June 22nd. We had a good turn out and fun was had by everyone! There was a meal provided for the golfers and for \$15 anyone else could enjoy it as well. The golfers were able to participate in a chipping contest where they had to chip a golf ball into a kiddie pool that had a bed

pan floating in it and also a putting contest where they had to putt into a urinal container. As you can tell we liked to remind everyone they are playing for the nursing home! 😊 Overall, we raised almost \$8,000 and we can't thank the participants, sponsors, and donors enough for making our first annual tournament a success! We hope to see everyone again next year!
